

**THE POWER TO MANAGE ALL OF YOUR REAL ESTATE
TRANSACTIONS QUICKLY, EFFICIENTLY AND PROFITABLY**

Stay on top of all of your real estate transactions by streamlining your business processes. Increase profits and dramatically reduce the risk of error, while improving customer satisfaction every step of the way.

Fidelity National Real Estate Solutions is proud to offer automated, easy-to-use solutions for managing your complex real estate transactions, accurately and securely.

FINALLY - A BETTER WAY TO MANAGE YOUR TRANSACTIONS.

Gain a competitive advantage and set the standards in your marketplace with TransactionPoint™ – designed to provide business and workflow solutions for the real estate professional.

TransactionPoint™ for SoftPro is a perfect addition to the nation's leading title and closing software solution, while providing Web-based statusing.

TRANSACTIONPOINT™ - STAY IN CONTROL EASILY AND SECURELY.

TransactionPoint puts you in control of your business, enabling you to manage all real estate transaction-related activities through a single centralized platform. TransactionPoint allows you to input property data, add clients, create transactions, update activities, order services, upload documents and share information from one location.

TransactionPoint replaces dozens of manual activities related to the closing process, providing an easy, automated and virtually error-proof way to order, schedule and confirm everything from appraisals and inspections to repair services.

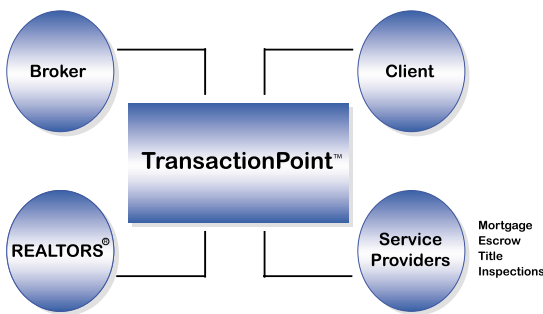

TransactionPoint for SoftPro allows all authorized parties in a real estate transaction to log on to a secure Web site and check the transaction status.

PUT THE POWER OF TRANSACTIONPOINT TO WORK FOR YOU.

It is much more than a transaction management platform – it's a powerful business management tool, putting you in complete control of every aspect of the real estate process.

Secure and password-protected, TransactionPoint's suite of products lets you set the rules and standards. You decide who views specific transaction details, ensuring complete security for you, your vendors and your customers.

So don't wait. Put Fidelity National Real Estate Solutions to work for you. Get the transaction management solutions you need from the world's leading provider of broker and agent services.

TRANSACTIONPOINT™ FOR SOFTPRO – BETTER VISIBILITY AND HAPPIER CUSTOMERS, TOO.

TransactionPoint for SoftPro significantly improves and streamlines the transaction and communication process. You can automatically post status updates for your clients and define the frequency of the updates and the users who will receive them.

TransactionPoint for SoftPro's branded Web site gives you a powerful online presence, allowing everyone involved in your transaction – brokers, agents, sellers, lenders and title companies – to view the status of the transaction.
